**CERVONE CENTER FOR LEARNING (CS, AST, MST)**

**Final placement in honors or LC courses is subject to department approval.**

**ELECTIVE COURSES (Notes and Information):**

1. In general, freshmen enroll in the equivalent of six (6) required classes each semester.
2. Technology and Arts are required courses: one course in the fall and the other in the spring.
3. Indicate alternate elective choices.

***Freshmen ~ General Course of Study***

Literary Forms  
World History  
Biology  
Algebra I, Geometry, Algebra II  
Language (French, German, Latin, or Spanish)  
Arts (foundation level)  
Solving Problems with Technology  
Elective  
Participation in Peer Leadership

While Honors and Advanced Placement courses are often requested to enhance the apparent rigor of a transcript, the School will determine whether placement in such challenging courses is appropriate. In addition to grades from previous years, work ethic, expressive skills, academic habits, placement tests, standardized test scores, and demonstrated commitment to learning guide the School in making course placement decisions.

**The Pennington School Graduation Requirements:**

One (1) credit represents a year's successful study in one subject. In order to graduate, a student must accumulate a minimum of 20 credits.

- English, 4 credits
- Public Speaking, 1/4 credit
