First Choice:

Second Choice:

CERVONE CENTER FOR LEARNING (CS, AST, MST)

Final placement in honors or LC courses is subject to department approval.

ELECTIVE COURSES (Notes and Information):

1. Religion and Health are required courses; one course will occur in the fall and the other in the spring.
2. As the schedule allows, students can select 1 additional semester elective for the semester opposite Public Speaking.
3. Indicate an alternate choice for elective.

Sophomores ~ General Course of Study

American Identities
United States History
Chemistry, Physical Science
Geometry, Algebra II, Precalculus
Language (continuation of study)
Religion and Ethics
Health and Wellness
Public Speaking (¼ year)
Elective (½ year)

While Honors and Advanced Placement courses are often requested to enhance the apparent rigor of a transcript, the School will determine whether placement in such challenging courses is appropriate. In addition to grades from previous years, work ethic, expressive skills, academic habits, placement tests, standardized test scores, and demonstrated commitment to learning guide the School in making course placement decisions.

The Pennington School Graduation Requirements:

One (1) credit represents a year's successful study in one subject. In order to graduate, a student must accumulate a minimum of 20 credits.

- English, 4 credits
- Public Speaking, ¼ credit
- Mathematics, 3 credits
- History, 3 credits
- Science, 3 credits
- World Language, 2 credits
- Religion, 1 credit
