

## WHAT TO BRING BOARDING STUDENTS GRADES 8–12

Dorm rooms are furnished with single beds, bureaus, desks, desk chairs, and a mirror. There will be a limited number of bunkable beds available when students arrive. To request these beds, please contact the Dean of Students Office at 609–737–1838.

### LAUNDRY

Students may make use of the washing machines and dryers in Old Main, or they may employ the weekly laundry service that picks up and delivers to campus. Students interested in this service may sign up prior to the start of school, but they will also have a few days to do so once school begins.

There are pick-up and drop-off services used by the School for boarders who wish to have their laundry done for them. Although the School provides laundry equipment in the dormitory, some students may wish to use one of these services. There are various levels to the service and certain yearly fees. Here is a link to a laundry service: All Prep Laundry Inc. [www.allpreplaundry.com](http://www.allpreplaundry.com). All Prep is not a service of The Pennington School, and it is independent of our residential community. The Pennington School is not responsible for the services provided by this company.

### Essential items to bring to school:

- Single bedsheets (Twin XL length), pillow, pillowcases
- Bath towels, face towels, washcloths
- Shower caddy
- Blankets and/or quilt
- Desk lamp and/or floor lamp (no halogen bulbs)
- Clothes basket/laundry bag
- Hangers
- Bathroom cleaner, sponge, toilet brush (for residents of Buck Hall only)
- Power strips (no extension cords allowed)
- General cleaning supplies (all-purpose wipes); vacuum cleaners provided

### Optional items to bring to school:

- Plastic stackable organizers for sweaters, clothes, papers, etc.
- Throw rugs
- Small window fan or box fan
- Adhesive hooks to hang towels on back of doors

**Note:** Refrigerators are not permitted; there are communal refrigerators in the dormitory lounges. Because of fire regulations, no halogen lamps, candles, or cooking devices of any kind are permitted. Irons must have an automatic shut-off feature. No desktop monitor may be larger than 27". Televisions are not permitted, and gaming consoles are not permitted.

For more information, please contact the Dean of Students Office at 609–737–1838.
