

Dear Parents,

The Pennington Peer Leaders would like to invite you to join us in our annual Run for the Cure on Sunday, October 28, 2018 at 8:00 a.m.. Participation is key, and you can help us make this the most successful run to date.

This time of year, all we see is pink. Awareness for breast cancer is everywhere. The Pennington School Peer Leaders are trying to focus awareness on a life-altering disease that affects one out of every eight women in the United States, who are diagnosed with breast cancer. At Pennington, we are running (or walking), not just for awareness, but for hope...hope that one day our efforts will help find a cure. We know that survivors and caregivers are an inspiration to us all, and they are a beacon of hope for those currently undergoing treatment. We run for all those who are affected by breast cancer.

Together we are better, and together we can provide hope to those survivors or caregivers who need more strength. United, we believe there is a hope for a cure, and we can make a difference that changes the world of cancer forever.

As you may know, the theme for this school year is **make a difference**. YOU can make a difference--join us, run with your family, run with your friends, run with The Pennington School community on Sunday October 28. Proceeds from the run go to the Susan G. Komen Foundation, the largest breast cancer organization in the United States. The registration fee for this 5K run (or walk) is \$25, which includes a T-shirt if you register by October 25. You can sign up at the Peer Leader booth at Homecoming or you may sign up for \$30 the day of the race. You can also register online here: <https://www.raceforum.com/run-for-the-cure>

Please help us spread the word and pass on registration information.

Help us. Believe with us. Hope with us and make a difference this year!

Pass it on.
